PLEASE NOTE: All tiles are hand-made, and no two are alike. All tiles, grates, amphoras and other imported salvage and antiques are subject to slightly irregular colorations and manufacture. Tiles are sold by the piece, without guarantee of any measurements, except for the dimensions of the tiles themselves. All sales are final. Samples are available at a nominal cost. Please inspect all shipments with your delivery agent present. Notify us immediately of any broken merchandise *on the same date as when delivered*. Broken merchandise reported after the shipment date cannot be replaced or returned. All merchandise is taxable unless you are a reseller. Your supplied resale number will fulfill non-taxable status.
